X20P  
Product code: 1902274

# NOBO X20P Digital DLP™ Projector

## Why choose NOBO X20P

Nobo X20P is an ultra portable XGA projector weighing just over 1.2Kg, making it the perfect portable solution for travelling presenters. The X20P is amazingly bright for its size at 2000/1500 ANSI lumens and has a superb contrast ratio of 2500:1 for perfect picture quality. This projector also has a useful ECO mode function allowing noise level to be reduced and lamp life to be increased for lower cost of ownership. Additional features include 1 minute shut down, and Kensington® lock facility for added security.
